## *food and drink guide*

welcome to **east coast** tasmania's

# **FOOD AND DRINK GUIDE**

on one of Australia's greatest road trips.

When you embark on the Great Eastern Drive, you'll need to come with an appetite. This journey will lead you to many of Tasmania's most delicious experiences in some of its most beautiful locations.

The East Coast's mild climate creates perfect growing conditions for the state's premium fresh produce, from sweet berries and nuts to fine cool climate wines, award-winning cheeses and the freshest seafood imaginable. The region has long attracted passionate growers, producers, winemakers, cheesemakers and chefs, whose creations are just waiting for you to try. Take a weekend, a few days or longer to explore, feast and wander.

**#eastcoasttasmania #greateasterndrive**

A man in a colorful plaid shirt is holding a wine glass and looking at it intently. He is standing in a cellar or winery, surrounded by large wooden barrels. The lighting is dramatic, with strong highlights and deep shadows. The background is blurred, showing more barrels and a bright light source.
