

## DISCOVER COLES BAY

Coles Bay is framed by the rugged, pink-hued granite peaks of the Hazards mountains and the sheltered waters of Great Oyster Bay. This is an excellent base from which to explore Freycinet National Park, or to relax in a beach house or apartment and experience a true beach holiday. Take a swim in the clear ocean, go fishing or enjoy long walks on the local beaches, including Richardson's, Muirs and the incredible Friendly Beaches.

Freycinet National Park is a short drive from Coles Bay and can be explored in anything from a couple of hours to several days. Call in to the National Park Visitor Centre to collect a map of the National Park and plan your visit. Take the short walk to Wineglass Bay lookout, for sweeping views of this world-famous bay, or go a little further to walk on the sugar-white sand and take a dip in the sea. You can also choose from half-day to multi-day bushwalks within the national park.

Coles Bay and Freycinet is a hub for outdoor experiences—go sea kayaking, take a cruise to Wineglass Bay, join a luxury sailing and walking experience, jump on board a fishing charter, take a scenic flight or try a four-wheel drive or quad bike experience. And make sure you visit Visit Coles Bay's cafes and restaurants for everything from coffee and treats to a gourmet dinner of fresh local ingredients, or visit a local seafood producer for fresh, east coast delicacies—including oysters, mussels, scallops and rock lobster.

TOWN MAP

# COLES BAY

(FREYCINET PENINSULA)

Coles Bay is one of Tasmania's best-known coastal towns and is the starting point for exploring the Freycinet National Park. This is a true holiday destination—fringed by stunning beaches and protected forests that invite you to experiences you'll never forget—from bushwalks in the national park, to sightseeing cruises and luxury yacht holidays, sea kayaking, quad biking or simply relaxing and soaking up the view over a plate of something local and luscious.
