

DISCOVER ST MARYS

Explore St Marys from your base in one of the town's heritage or bed and breakfast accommodation houses (or try an eco-lodge, caravan park or campsite), and take some time to discover the town and the local area.

Stroll through the town and lose time in St Marys' cafes, shops and galleries, or take a local walk to discover mountain and forest landscapes. Try the easy walk to Grey Mare's Tail waterfall, visit the South Sister lookout for stunning views, or for a more challenging walk, climb the rugged St Patricks Head for a 360° perspective of the valley and coast.

You can also drive to nearby Cornwall to experience the Coalminers' Heritage Wall and Heritage Walk, or cross the range on convict-built St Marys Pass for the 20-minute drive to Falmouth and its glistening white beach.
